## Terms and Conditions

### 1. Artificial Intelligence Usage

Wisitrix incorporates AI and large-language-model systems throughout development, design, analysis,. Technologies used include WISITRIX AI Pro, GPT-5, and Gemini 2.5 Flash.

### 2. Refund Policy

Refunds may be requested within 3 days of the original payment date.  
Only the base amount is refundable. Processing fees are not refundable

### 3. Warranty

Wisitrix will provide 1 year of complete warranty including all repairs

### 4. Domain / Subdomain

If a domain is included, Wisitrix covers the first year of payment.  
If not renewed after one year, Wisitrix will switch to a free subdomain.

### 5. Hosting

Hosting is provided through Wix-Hostings using Vercel, GitHub Pages, or a custom server.  
Hosting remains free indefinitely as long as no external paid services are used.

### 6. Design & Re-Branding

Wisitrix may design or redesign logos and create a unique business name if required.

### 7. Content & Management

Wisitrix updates client social media pages.  
Includes 5 posts per month for the first 6 months.  
Client must provide required information and photos.

### 8. Data Collection

Client must provide accurate business details.  
All data is stored in an encrypted database maintained by Wix-Hostings.

### 9. Privacy

Information is used solely to understand, manage, and update the business.  
Wisitrix is responsible for safeguarding the database.

### 10. Indexing

Wisitrix will index your website on Google for free
